

ATHLETIC

REPUBLIC™

Irvine Chargers Football Special Edition!

Athletic Republic seamlessly combines science and sports to make athletes of all ages and abilities faster, more agile and more powerful. Our patented machines and proprietary programs have elevated thousands of competitors' performance and dramatically changed the landscape of training in this country. If you want to train to get better for your sport, Athletic Republic Performance Sports Training is your answer. We provide answers to becoming faster, more powerful and noticeably more confident by assessing each athlete's strengths and weaknesses. We have trained over 700,000 athletes of all ages and abilities, proving that we are the premier destination for intense, individualized, sport-specific training that delivers quantifiable results.

NIKE SPORT SENSORY TRAINING IS REVOLUTIONIZING SPORTS TRAINING AND YOU CAN BE ONE OF THE FIRST TO BENEFIT!

Athletic Republic has been the exclusive partner with Nike in the launching this new technology. We are now very excited to introduce the newest phase of the Nike SST Sport Sensory Training which includes improved vapor strobe eyewear and the brand new Nike Training Kiosk !

Benefits of Nike SST Training: Improved anticipation timing, attention & focus, balance, imagery and visualization, peripheral vision, reaction time and eye-hand coordination. Results after only ten 30-minute sessions!
